1. The exercise program utilizes the Pilates technique of muscle conditioning, strengthening, and stretching. The possible benefits of this program include: improving cardiovascular fitness, muscle strength, flexibility, posture, and body alignment. During this exercise there exists potential for muscle soreness or stiffness, abnormal blood pressure, fainting, irregular heartbeat, and other severe injuries including the possible instance of heart attack and death. I assume all of the foregoing risks and accept personal responsibility for any other damages or other injuries I might suffer.
2. I know I have the right to choose what exercises I do or do not perform and may withdraw from any exercise at any time.
3. I understand that a physical examination and medical approval should be obtained prior to participating in an exercise program.
4. I understand that to assure my continued safety and that of your staff, Darien Pilates has implemented new practices and procedures in response to the COVID-19 health crisis. These are detailed separately in the accompanying document entitled "Guidelines For Reopening Darien Pilates." I have carefully read and commit to following these new practices and procedures. Despite your careful attention to disinfection, the reengineering of your space, and the new precautions you are taking with everyone who enters your facility, I am aware that the risk of contracting coronavirus can only be reduced and that there remains a risk when any of us venture outside our homes. Darien Pilates cannot warrant that I will not become infected as the result of my participation in your programs. I appreciate this ask and have decided that it is outweighed for me by the benefits of my continued participation in your program.
5. I hereby and forever release, discharge, and hold harmless Darien Pilates, its teachers, members and employees from and against any and all liability to me, my heirs, and next of kin, for any and all claims, demands, rights of action, causes of action, losses or damages on account of injury including death, caused or alleged to be caused in whole or in part by the negligence of Darien Pilates and waive my right to sue any of the foregoing for any injuries I may sustain or losses I may incur whether known or unknown resulting from the activity described above.
